Brothers and Sisters, Co-workers in the New Pentecost,

Andrea and I were just blessed to find out that we have a new baby on the way. The baby will be born at the end of June/beginning of July.

If it is a boy his name shall be *Josiah Daniel*. If it is a girl her name shall be *Sarah Marie*. Andrea is doing well. The Lord has blessed her with the gift of easy pregnancies.

Elijah, our 8 year old will be making his 1st Communion on November 11th.

The kids are wearing Candy Corn hats that Andrea knit!
Elijah, Noah, Joshua, Rebekah, Micah, and Joy.

Thank you for all you do so that we can answer the call of the Lord Jesus to build his Father's Kingdom.

Your little brother in Christ,

Brendan

Migraine Headache Healed

At the October 2012 Healing Service at Our Lady of the Blessed Sacrament in Miami, AZ, a woman came forward who was suffering from migraine headaches. She was suffering from one at the time. After prayer, Brendan discerned that the cause of the headaches was a demon of fear. Brendan asked permission from the woman to take authority over any spirit of fear, if there was one. She gave permission and as he bound the demon her legs began to uncontrollably shake. When Brendan asked her if she was at peace with the shaking of her legs (I was trying to discern if this was a manifestation of the Holy Spirit or the spirit of fear) she shared that she was not at peace and that she did not believe that it was the Holy Spirit causing the shaking. As Brendan continued to take authority the shaking intensified. He then asked the Lord Jesus how he wanted him to proceed and the Lord Jesus told Brendan that the woman had not been to confession for some time. Brendan invited the woman to go to confession to which she consented. This is what she shared after confession:

"I feel free and the headache is gone. As soon as confession was over the headache was gone."
