Companions of the Holy Spirit

As you know, I have been spending quite a bit of time ministering in the Archdiocese of Denver. Over a year ago, Nick Villalobos, moved from Tempe, AZ to the Denver area to be a full-time missionary, equipping believers to move more deeply in the presence and the power of the Holy Spirit. At the time of his move, Nick and I established the *Companions of the Holy Spirit*. The *Companions of the Holy Spirit* are Catholic Charismatic Missionaries who live in a covenant relationship with one another, whose call it is to build a Culture of the Holy Spirit by:

- * **Living** a life together while giving priority to worship and meditation on the Word of God
- * **Proclaiming** the Lordship of Jesus Christ and the Baptism of the Holy Spirit.
- * **Demonstrating** the Culture of the Holy Spirit through signs and wonders.
- * **Equipping** believers as to how to live in the Culture of the Holy Spirit.
- * **Gathering** other believers into communities centered on the Culture of the Holy Spirit.

The primary work of the *Companions* is:

- Parish Mission Weeks** An intense week held at parishes, for all ages, which leads believers to the Lordship of Jesus Christ and the Baptism of the Holy Spirit.
- The School of Disciples** A six week Community formation process built on shared meals and prayer meetings with teachings on communal life.
- The School of the Holy Spirit** A four month formation which helps believers to
- Understand the person and ministry of the Holy Spirit.
 - Surrender to the Lordship of Jesus and the Baptism of the Holy Spirit.
 - Teaches them how to move in the gifts of the Holy Spirit.
 - Forms them in how to grow in the Life of the Spirit through daily prayer and communal life.
- Hearing the Voice of God** A one month formation that equips believers with practical tools to hear from God for their life and the life of the Community.

In September of 2013, Nick and I began an intense Covenant Formation process with Bobby and Jeanne Rogers (Denver) as well as Ernesto and Katarina Garcia (Colorado Springs). On January 19th, 2014 these four professed covenant and are now, also, *Companions of the Holy Spirit*. Jeanne Rogers is able to commit herself as a full-time missionary with the *Companions*.

During the Formation it was clear that the Lord was calling the *Companions* to become a part of a broader work in the Church – the City of the Lord.

City of the Lord

City of the Lord is a Catholic Charismatic Covenant Community with Branches in Tempe, AZ; San Diego, CA; Los Angeles, CA; and Monterey, CA. The *Companions* have traveled to

the Tempe Branch for their annual retreat and for the yearly Convocation of all the Branches which happened the weekend of February 14th-16th. It was at the Convocation that each *Companion* came into the Fellowship of the Holy Spirit with the City of the Lord and now will begin formation to become a Covenant member of the City. It is our hope that the Denver Community will become a Branch/Colony of the City of the Lord.

Schools of the Holy Spirit Established

Your Support

Your financial blessings are always appreciated and needed, no matter the amount. We are solei supported by God's goodness through his good people. Would you consider giving a gift whether once or on a monthly basis as a partner with our family that I might continue to answer the call of the Lord Jesus on my life for the Father's glory?
