## Prayer Following Ministry

Father in heaven, thank You for sharing with us, by the power of the Holy Spirit, Your Son's ministry of healing and deliverance. We praise You for the healings and deliverance that we have witnessed. Father, we realize that sickness and oppression is more than our humanity can bear. We ask You to free us of any sadness, negativity, depression, anxiety, self condemnation, anger, frustration, confusion, doubt, despair, sickness, or infirmity that may have attached itself to us during our time of ministry.

If during our time of ministry we have sinned through pride, lust, self righteousness, impatience, or jealousy, we repent and we ask that the Blood of Jesus cleanse us from any unrighteousness.

If any evil spirit has attached itself to us we command it to depart now, through the intercession of the Mother of God, Mary, most holy, and the ministry of Saint Michael and our Guardian Angels. "As you depart you are sealed from any communication, interplay, or interaction with any other demonic host. In the name of Jesus, go to the foot of Christ crucified, never to return to us, our family, or any with whom we are associated."

Heavenly Father, fill any empty space in our soul with the fruit of the Holy Spirit, which is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control, chastity, modesty, and purity. Father, we give You permission to conform us to Christ.

We thank you for all the protection You have given us by the blood of Jesus.  
In Jesus name we pray. AMEN!

## Prayer Before Ministry

Father, we thank You for calling and empowering us through the waters of Baptism and the anointing of Confirmation. We ask that You would increase our faith, strengthen our hope, and deepen our love. May Your Holy Spirit fill our hearts with Fear of the Lord, Piety, Counsel, Wisdom, Fortitude, Knowledge, and Understanding.

Jesus, we enter into this time of ministry declaring our dependence on You. Lord, what You want we want; what You say, we will do. Give us Your Holy Spirit without measure. Holy Spirit, as You will, distribute to us words of wisdom and knowledge, gifts of faith and healings, prophecies, miracles, discernment of spirits, tongues, and interpretation of tongues for the building up of Your Body, the Church.

Holy Spirit, clothe us with the armor of God: the helmet of salvation, the breastplate of righteousness, truth as our belt, eagerness to spread the Good News as our footgear, the Word as our sword, and faith as our shield.

Heavenly Father, we welcome the ministry of any Saint or angelic host that You would send from Your heavenly throne. (Allow the Spirit to bring to you the names of any Saints.) Saint....., pray for us.

May the Blood of Jesus cover us to protect us from the enemy.

We seal this place and these people off from any influence of the enemy. ***We proclaim that any curses, hexes, or spells on any of the people we will encounter or on this gathering be broken by the authority of the name of Jesus Christ who has come in the flesh.*** (Repeat three times.)

We consecrate this time of ministry to the Sacred Heart of Jesus and the Immaculate Heart of Mary to make reparation for all who do not adore Jesus in the holy Eucharist. May a cry resound throughout the earth: "Praise to the Divine Heart that wrought our salvation; to It be glory and honor forever. Amen."

## 5 Steps to A.P.P.L.Y. Healing

### **A**quire. Ask questions.

Ask the person their name and share your name. Inform the person that they are free to share what they are experiencing as you are praying together. Ask them to share sensations, thoughts, or feelings as you are praying together. Make sure not only to listen to what they are saying, but tune your heart to the Holy Spirit and any words of knowledge, wisdom or prophecy that the Spirit would give you.

What are you experiencing?

What illness are you facing?

How long has this been happening?

Was this caused by an accident or injury?

Does anyone in your family's past have this situation?

### **P**repare. How are you to pray?

Pray in tongues and allow the Holy Spirit to speak into your spirit. Yield the time of ministry to the ministry of the healing Spirit.

What is Holy Spirit telling you about the situation this person is facing?

How is the Holy Spirit leading you to pray?

Is there sin of which the person needs to repent?

Is there a need for the person to forgive someone?

Is the root of the physical pain from emotional pain?

Are there any demons that are causing the problem?

Invite the person to surrender their life to the Lordship of Jesus by giving their life to Him.

Ask them to repent of any sin and to forgive anyone whom they might need to forgive.

### **P**ray.

Pray to the Father in the name of Jesus.

Be specific.

**Remember— the most important thing is for the person to experience the love of God through this time of ministry.**

Ask if you can lay your hands on the person. If possible, lay your hands on the place of pain. If this is not possible, you can ask the person to place their hand on the painful area as you place your hand on theirs. Keep your eyes open to observe what is happening. Look for signs of God's movement. Speak to the condition.

Continue to pray in tongues.

### **L**isten and Look.

As you pray, ask the person what they are experiencing.

The person might experience different physical sensations such as burning, trembling, swaying, tears, laughter, drunkenness, euphoria, fluttering of eye lids, or perspiration.

Do not assume that these are positive or negative movements. If necessary, ask the person what is happening. Ask if they are at peace.

If they are at peace with the manifestation, then give thanks and worship to the Lord.

If they are not at peace, take authority in the name of Jesus and command that the manifestation cease.

### **Y**ield to further movements of the Spirit.

Thank the Lord for all that He has been doing during the prayer session. Thank Him for the healing that has occurred.

Help the person yield to what needs to be done to continue in their healing: breaking sinful habits, standing in faith on the promises of God, checking with doctor to confirm healing, or surrounding themselves with people of faith.

Encourage them to yield to allowing God to love them.
